INTRO:

F
Kindness, Kindness, oh, whenever you find this

Kindness, Kindness, oh, whenever you try this

Bb **C** **F**
You could bring a smile to someone's face

VERSE:

F
Well it doesn't take much

F
And it doesn't take long

F
No it doesn't cost a thing

F
And there's no way to do it wrong

Bb
You can try it any time

F
You can plant it where you want

C
You can grow it in your heart

F
Then give it out to everyone

CHORUS:

F
Kindness, Kindness, oh, whenever you find this

Bb **C**
You will see the world's a better place

F
Kindness, Kindness, oh, whenever you try this

Bb **C** **F**
You may bring a smile to someone's face

BRIDGE:

Dm **C**
So if you see someone who's had a bad day

Bb **C**
And you'd like to try & make them feel okay

Dm **C**
Just give a little kindness in your own way

Bb **C**
Because a little bit of kindness goes a long way

“All Together Now!”

CHORUS:

F
Kindness, Kindness, oh, whenever you find this

Bb **C**
You will see the world's a better place

F
Kindness, Kindness, oh, whenever you try this

Bb **C** **F**
You could bring a smile to someone's face

FINAL CHORUS:

F
Kindness, Kindness, oh, whenever you find this

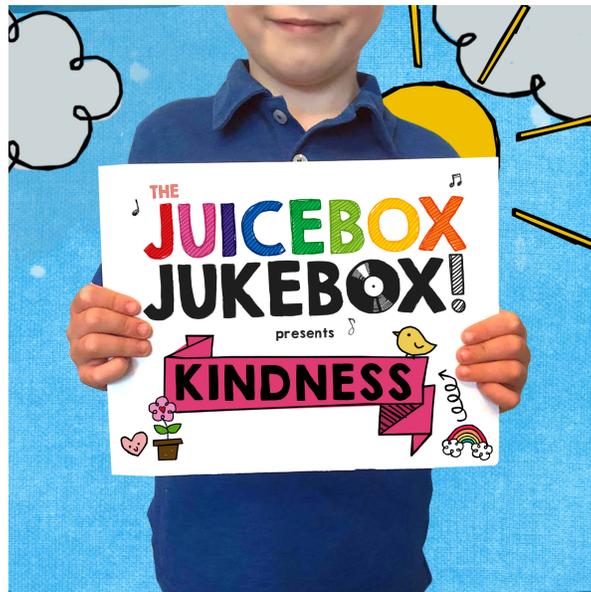

Bb **C**
You will see the world's a better place

F
Kindness, Kindness, oh, whenever you try this

Bb **C** **F**
You could bring a smile to someone's face

Bb **C** **F**
Yea, you could bring a smile to someone's face

Bb **C** **F**
You will see the world's a better place
